Subject: Satan and the christ / anti christ

The man talking is my brother. Who maybe took part in trying to explode something bad and frame Jesus egto make the anti Christ.

God is not happy.

I, can forgive you all. But **the lady** is here. She will judge people.

Its ashtar command stuff.

Day the earth stood still.

Ps my name is Christopher Lindsay Gray, sadly son of Alexander Gray

He's fine. But nobody come near me. There are lots of time travelers here watching everything you do. So don't even think about doing bad things. Ever.

Never lie to me. It will be documented.

**I don't like being tried to be repeatedly framed and murdered.** It gets boring eventually. God is watching all of you and can see what your thinking. So please. Never come near me.

**Something is inside my neck.** I don't know what it is. I have no idea. Et put it there or somebody did.

Never get caught going against the true GOD.

SATAN IS NOT THE TRUE GOD. IT WAS A TRICK. THERE ARE LOTS TIME TRAVELING RACES WATCHING QLL YOUR ACTIONS. AKA ASHTAR COMMAND.

Please be nice. And nobody ever dream of harming another innocent. Eg **One of the bledsoes cousins** etc etc touch anybody linked to me. And your trials won't go down well. Et can read thoughts. Don't ever think of harming me or my family.

Speak to the queen about it if you have questions. Seriously.

Kind regards

Christopher Lindsay Gray
